COMPETITION

DESIGN THEME

LINGAP: General Hospital and Extended Emergency Facility.

CHALLENGE

ArchiNEXT 2020 aspires to build an accessible, eco-friendly, and well thought out interactive structure for an ideal community we wish to live. Our aim to help young designers live up to their dreams of creating a better future through structure continues with the concept of LINGAP.

ELIGIBILITY

ArchiNEXT 2021 is open to 3rd and 4th year bona fide Architecture students currently enrolled in any CHED-accredited and recognized College and University in the Philippines. Only one entry per student is allowed (either individual or group).

INDIVIDUAL ENTRY – a 3rd or 4th year bona fide Architecture/Landscape Architecture student; must not belong to any group who will submit an entry for ArchiNEXT.

GROUP ENTRY – For groups:

1. They should be composed of a maximum of 3 members. All members should either be a 3rd year or a 4th year Architecture/ Landscape Architecture student.
2. They should be coming from one College/University only.
3. They should select a Group Name and a Group Leader, who will represent the Group in the Deliberation to determine the final ranking.

SPECIFIED OUTPUT

1. Maximum of four A3 sized bond paper in a portrait/ landscape orientation. Own project title is required.
1st-2nd A3 paper: Project Title, Overall Concept, Location and Vicinity Map, Site Development, Aerial Perspectives, Lot Plan

2nd-4th A3 paper: Detailed Floor Plans, Section, Elevations, Spot and other pertinent details
*with dimensions or graphical scale
*kindly label boards from 1-4
*DO NOT PUT ANY IDENTIFICATION ON THE FRONT SIDE OF THE BOARDS
2. Full Narrative of the Design Concept printed in a short bond paper.
200-300 words, 1 page only
*DO NOT PUT ANY IDENTIFICATION ON THE FRONT SIDE OF PAPER

SUBMISSION: BOTH soft copy and hard copy are required

SOFTCOPY

1. Soft copy version must be saved in a CD labeled with entrant's name/group name and members and school.
2. CD must contain the scanned copy of the entry form, scanned copy of the endorsement letter, design entries in high resolution .pdf format or .jpeg format, and full design statement in .doc or .docx format.
*Blank or corrupted CD shall be disqualified

HARDCOPY

1. Download and accomplish ArchiNEXT 2021 Entry Form in www.archinext.ph. Make sure that it is legibly filled up and signed by either the Dean of the College of Architecture or Chair of the College of Architecture or the UAPSA President.
2. Attach Endorsement Letter signed by the Dean of the College of Architecture or Chair of the Department of Architecture ONLY.
3. Submitted envelope must be labeled with identification* containing the accomplished entry form with

Lingap

General Hospital and
Extended Emergency Facility.

signature (with complete details), design entries in A3 Paper or Board (maximum of four sheets), printed design statement (short bond paper), scanned school Identification Card (front and back), and the CD containing the soft copy of your requirements and entry.

*Identification (name and school) in the entries shall strictly be at the back of each entry and design statement, and labeled in the envelope and CD.

4. Upon completion of the requirements, send envelope containing both hard & soft copy through LBC addressed to:

Hocheng Philippines Corporation
Lot 2 Blk. 4 Phase 3 First Cavite Industrial Estate, Brgy. Langkaan
Dasmariñas City, Cavite

5. *Delivery fee is c/o Hocheng Philippines Corporation (download free shipping letter in our website)
6. Only entries submitted/shipped on or before December 31, 2020 will be accepted.

DEADLINE : DECEMBER 31, 2020

AUGMENTED SCREENING PROCESS

Below is the new process of screening all entries for ArchiNEXT 2021:

1. PRE SCREENING – ArchiNEXT Team will check if the entrant/group completed his/her/their requirements for the entry to qualify.
2. INITIAL SCREENING – Judges will have to grade the entries. After all the scores have been collected, a certain number of qualified entries will compose the “Magic Number” or the finalists for the Final Screening.
3. FINAL SCREENING – Judges will be critiquing the entries in the Live Final Screening to determine the following:
 - a. Top Ten Finalists
 - b. Special Awardees
4. DELIBERATION – All scores from the Final Screening will be back to zero. Individual Finalists and Group Leaders will be invited to personally defend their entries to determine the Final Ranking. Each will be given a maximum of 20 minutes to present their ideas to the Judges. Mechanics will be given to all finalists after the Final Screening Process.
